Section 37 Provisions

The facilities, services and matters set out below are required to be provided to the City at the owner's expense in return for the increase in height and density of the proposed development on the lands as shown on Schedule A attached to this By-law and secured in an agreement or agreements under subsection 37(3) of the Planning Act, as it read on the day before section 1 of Schedule 17 of the COVID-19 Economic Recovery Act, 2020, S.O. 2020, c. 18 came into force, whereby the owner agrees as follows:

Community Agency Spaces and Financial Contribution

1. Prior to the earlier of condominium registration or first residential use on site, the owner shall design, construct, finish and convey to the City, in an acceptable environmental condition, for nominal consideration and at no cost to the City, a minimum 467 square metres Community Agency Space located on the ground floor adjacent to the POPS and subject to the following:
 - (1) The Community Agency Space shall be delivered to the City in accordance with the City's Community Space Tenancy Policy and finished to Base Building Condition, with the terms and specifications to be secured in the Section 37 Agreement, all satisfactory to the Executive Director, Social Development, Finance and Administration, the Executive Director, Corporate Real Estate Management, the Chief Planner and Executive Director, City Planning and the City Solicitor;
 - (2) Prior to the issuance of the first above grade building permit, the owner shall provide a letter of credit in the amount sufficient to guarantee 120 percent of the estimated cost of the design, construction and conveyance of the Community Agency Space complying with the specifications and requirements of the Section 37 Agreement, to the satisfaction of the Executive Director, Corporate Real Estate Management, the Executive Director, Social Development, Finance and Administration, the Chief Planner and Executive Director, City Planning and the City Solicitor;
 - (3) Prior to conveyance of the Community Agency Space to the City, the owner shall provide a one-time cash contribution in the amount of \$560,000.00 for future capital improvements to the Community Agency Space;
 - (4) The financial contribution pursuant to section 1.(3) above shall be indexed upwardly in accordance with the Statistics Canada Non-Residential Construction Price Index for the Toronto Census Metropolitan area, reported quarterly by Statistics Canada in Building Construction Price Indexes Table: 18-10-0135-01, or its successor, calculated from the date of the Agreement to the date of payment;
 - (5) Concurrent with or prior to, the conveyance of the Community Agency Space to the City, the owner and the City shall enter into, and register on title to the appropriate lands, an Easement and Cost Sharing Agreement for nominal

consideration and at no cost to the City, that is in a form satisfactory to the City Solicitor; the Easement and Cost Sharing Agreement shall address and/or provide for the integrated support, use, operation, maintenance, repair, replacement and reconstruction of certain shared facilities, and the sharing of costs, in respect thereof, of portions of the subject lands to be owned by the City and the owner as they pertain to the Community Agency Space.

2. Prior to issuance of the first above-grade building permit, the owner shall make a cash contribution to the City in the amount of one million, four hundred and forty thousand dollars (\$1,440,000.00) by certified cheque payable to the Chief Financial Officer and Treasurer, City of Toronto, to be allocated at the discretion of the Chief Planner and Executive Director, City Planning, in consultation with the Ward Councillor, toward capital improvements for one or more of the following capital improvements within the Ward:
 - (1) Hydro corridor multi-use trail (Bloor-Kipling - Burnhamthorpe);
 - (2) Public art, streetscape improvements and enhanced pedestrian and cycling connections;
 - (3) Local parks; and
 - (4) Local not-for-profit childcare.
3. The cash contribution referred to in section 2 above shall be indexed upwardly in accordance with the Statistics Canada Non-Residential Building Construction Price Index for Toronto Census Metropolitan area, reported quarterly by Statistics Canada in Building Construction price Indexes Table: 18-10-0135-10, or its successor, calculated from the date of execution of the Section 37 Agreement.
4. In the event the financial contribution in section 2 above has not been used for the intended purposes within three years of the by-law coming into full force and effect, the contribution may be redirected for another purposes, at the discretion of the Chief Planner and Executive Director, City Planning, in consultation with the Ward Councillor, provided that the purposes are identified in the Official Plan and will benefit the community in the vicinity of the lands.

Other Matters in Support of the Development

Servicing Agreement

5. Prior to the issuance of any above grade building permit, the owner must design and construct all improvements as required in the Functional Servicing Report to the satisfaction of the Chief Engineer and Executive Director, Engineering and Construction Services.

Privately-Owned Publicly Accessible Open Space

6. The owner shall, at its own expense, design, construct and thereafter maintain the Privately-Owned Publicly-Accessible Space ("POPS") areas in the locations illustrated

on Schedule B having a minimum area of 257 square metres along the south of the property, with the specific location, configuration and design to be determined and secured in the context of site plan approval to the satisfaction of the Chief Planner and Executive Director, City Planning.

7. Prior to the issuance of any above-grade building permit, the owner shall prepare all documents and convey, on terms set out in the Section 37 Agreement, an access easement in favour of the City, for public use of the POPS, all to the satisfaction of the Chief Planner and Executive Director, City Planning and the City Solicitor.
8. Prior to the earlier of first residential or non-residential use occupancy and first condominium registration of all or any portion of a building, the owner shall complete construction of the respective POPS to the satisfaction of the Chief Planner and Executive Director, City Planning, or such later date in the sole discretion of and on terms satisfactory to the Chief Planner and Executive Director, City Planning.

Site Plan Matters

9. The following matters are to be addressed through the site plan approval process:
 - (1) Implementation of any required electromagnetic field mitigation measures or other recommendations, as detailed in the Electromagnetic Field (EMF) Management Plan dated June 10, 2020, prepared by Intrinsik Corp, as may be amended through a peer review process undertaken at the expense of the owner to the satisfaction of the Chief Planner and Executive Director, City Planning;
 - (2) Implementation of the wind control measures identified in the Pedestrian Level Wind Study, dated June 10, 2020, prepared by Gradient Wind, the addendum to this study dated June 11, 2021, and any future addendum, to the satisfaction of the Chief Planner and Executive Director, City Planning;
 - (3) In the event that car-share spaces, as defined in the Zoning By-law Amendment, are to be provided, a car-share provider shall be secured to the satisfaction of the General Manager, Transportation Services;
 - (4) Construction of the City sidewalk to City standards along the Jopling Avenue South frontage, to the satisfaction of the General Manager, Transportation Services;
 - (5) Provision of on-site dog-relief facilities, with the location, nature and size of the facilities to be determined through the site plan approval process to the satisfaction of the Chief Planner and Executive Director, City Planning;
 - (6) Incorporation of signage to identify the proposed POPS to be located along the south edge of the site; and
 - (7) Construction and maintenance of the development of the site in accordance with Tier 1, Toronto Green Standard, or higher where appropriate, consistent with the performance standards of Toronto Green Standards applicable at the time of the site plan application for each building on the site.

Toronto School Boards

10. The owner shall satisfy applicable signage requirements of the Toronto District School Board and the Toronto Catholic District School Board and shall insert warning clauses in purchase and sale/tenancy agreements as required in connection with student accommodation.

Other

11. The owner shall provide notification to NAV Canada of the pending commencement of construction a minimum of 10 days prior to the start of construction.
