- B. The Executive Director of the Board or designate shall develop and administer the retention schedule.
- C. In determining the retention period for a records series, the Executive Director or designate, on behalf of the Board, shall consult with the Board or staff as appropriate, the City Solicitor and the City's municipal auditor.

 - (1) The administrative value of the records based on the period of time during which the Board uses a record to perform its functions;
 - (2) The legal value of the records, based on the period of time necessary to meet statutory or other regulatory requirements, requirements imposed by an agreement, permit or similar document, or to ensure that records are available in case of litigation or investigation;
 - (3) The audit value of the records, based on the period of time required for audit or tax purposes; and

§ 219-40. Responsibility of Board staff, volunteers and members.

§ 219-41. Principles of records destruction.

The following principles govern the destruction of records:

- B. Records pertaining to pending or actual litigation or investigation shall not be destroyed with the class of records to which they relate.
- C. Records shall be destroyed in a way that preserves the confidentiality of any information they contain.
- D. Prior to the destruction of any record, other than orphan data or a transitory record or duplicate record, the following documents are required:

§ 219-42. Destruction of orphan data.

Where applicable to satisfy the provisions of the Income Tax Act (Canada), the Employment Insurance Act (Canada) or the Canada Pension Plan, an exemption from the requirement to keep records in an electronically readable format from the Minister of National Revenue, on such terms and conditions as are acceptable to the Minister.

§ 219-44. Retention of documentation.

The documents described in §§ 219-41D(1) and (2) and §§ 219-43A and B shall be submitted to, and kept by, the Executive Director or designate, on behalf of the Board, as required by this article.
