## Development of New Child Care Centres

(October 17, 2007) Report from General Manager, Children's Services

### Committee Recommendations

The Community Development and Recreation Committee recommends that:

1. Child Care Centre B, approved in Children's Services 2007 Capital Budget be designated as the new purpose built child care centre adjacent to Chester Le Junior Public School, and Child Care Centre C, included in Children's Services' 2008 – 2011 Capital Plan be designated as the new purpose built child care centre adjacent to St. Andrew Catholic School;
2. funding of up to \$1.959 million for the construction of Child Care Centre B and funding of up to \$1.959 million for the construction of Child Care Centre C be drawn for the Child Care Capital Reserve Fund for this purpose; and

### Financial Impact

Children's Services' 2007 Approved Capital Budget includes a previously approved New Child Care Centre Project for the construction of four new child care centres over the period of the Council approved Child Care Service Plan. The recommendations will have no financial impact beyond what has already been approved in Children's Services' 2007 Approved Capital Budget and 2008 – 2011 Capital Plan.

The Child Care Capital Reserve Fund, with a 2007 projected year end balance of \$11.8 million has sufficient funds to support these recommendations.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

### Summary

This report seeks approval to spend funds from the Child Care Capital Reserve in accordance with the City's Child Care Service Plan for the construction of two new purpose built child care centres included in Children's Services' 2007 Approved Capital Budget and 2008 – 2011 Capital Plan. Approval is also sought to enter into agreements with the Toronto District School Board (TDSB) for construction of a child care centre adjacent to Chester Le Junior Public School (Child Care Project B); and with the Toronto Catholic District School Board (TCDSB)

for the construction of a child care centre adjacent to St. Andrew Catholic School (Child Care Project C).

### **Financial Impact**

In this report, staff recommend allocations of the 2008 Operating Budget, subject to Council's approval of the Budget. In total, staff recommend \$21,031,829 gross and \$3,591,093 net 2008 expenditures. The net amount is \$77,100 less than recommendations for 2007. Should the Operating Budget be reduced through the 2008 Budget approval process, allocations in this report will also be reduced in line with available funds. For 2007, staff recommend expenditures of \$237,000 gross and \$137,000 net from the approved 2007 Operating Budget.

## 2008 Allocations

The 2008 allocations recommended in this report (all recommendations excluding 4a.) are within 2008 Operating Budget submission amounts for source funds. These allocations are contingent upon approval of the 2008/2009 provincial budget and the City's 2008 Operating Budget process. Overall, the net amount recommended for 2008 allocations is \$77,100 lower than approved for 2007.

This report recommends allocations from the City of Toronto Homeless Initiatives Fund (CT-HIF) in the 2008 Community Partnership and Investment Program Operating Budget submission. CT-HIF is 100% funded by the City. The 2008 CT-HIF Operating Budget submission is \$2,406,800 gross and net. The net amount is \$77,100 lower than 2007, as funds were transferred to Community Services Programs in CPIP for administration of six projects more suited for administration under this program.

The report also recommends allocations from the Provincial Consolidated Homelessness Prevention Program (CHPP) in the 2008 Shelter, Support and Housing Administration Operating Budget submission. CHPP is funded by the Ministry of Community and Social Services and the City, and administered by the City. CHPP funds for the first three months of 2008 have been approved by the provincial government as part of their 2007/2008 provincial budget. The City contribution to the Program ensures adequate levels of housing help services within shelters, to help clients make the transition to permanent housing. The 2008 CHPP Operating Budget submission is \$18,276,800 gross and \$1,184,300 net. The gross and net amounts for housing help within shelters, found in the Hostel Services Operating Budget, is identical to that in the 2007 Operating Budget.

In addition, the report recommends allocations from the Provincial Rent Bank Fund in the 2008 Shelter, Support and Housing Administration Operating Budget submission. The Provincial Rent Bank Fund is funded through the Ministry of Municipal Affairs and Housing. The City has received \$1,261,900 in 2007 from the province for this program. It is recommended these funds be allocated in 2008 for the Rent Bank program. The 2008 Provincial Rent Bank Operating Budget submission is \$1,261,900 gross and \$0 net. Program delivery funding for the Rent Bank program is also provided through the MCSS CHPP program.

Allocations from these programs are for the January 1 – December 31 service year, with cash flow beginning on January 1. Approvals are sought by Council at this time to ensure there is continuity in the delivery of homeless services through the end of 2007 into the first quarter of 2008. As such, the 2008 Interim Operating Budget (Estimates) will be adjusted to account for the required spending during this period estimated at \$1,750,755 gross and net for the City of Toronto Homeless Initiatives Fund, \$9,041,506 gross and \$592,150 net for the Consolidated Homelessness Prevention Program, and \$630,956 for the Provincial Rent Bank Fund.

As allocations are recommended on an annual basis, there are no financial impacts beyond 2008. The table on page 5 of the staff report shows recommended allocations by service sector and funding source.

## 2007 Allocations

The 2007 allocations recommended in this report for the winter drop-in response (recommendation 4a.) are within the City's 2007 approved Operating Budget.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

## Summary

The purpose of this report is to seek approval for 2008 funding allocations to community agencies and City managed shelters to deliver street outreach, housing help (including Rent Bank), drop-in and other services for Torontonians who are homeless or at risk of homelessness. Funding is also recommended for seasonal responses in 2007 and 2008, appeals and the emergency health and safety fund.

Funds for these services are drawn from 2007 and 2008 funding for the City of Toronto Homeless Initiatives Fund (CT-HIF) in the Community Partnership and Investment Program, from the Ministry of Community and Social Services Consolidated Homelessness Prevention Program (CHPP), from the Ministry of Municipal Affairs and Housing Provincial Rent Bank Fund, and from the Shelter, Support and Housing Administration Operating Budget.
