Councillor Vaughan submitted a communication (March 30, 2008) containing the names of approximately 260 individuals, regarding comments made by Councillor Ford during the March 5, 2008 meeting of City Council.

Ruling by Speaker:

Councillor Vaughan, on a point of privilege, requested the Speaker to rule on the comments made by Councillor Ford, and to request that he apologize.

Speaker Bussin advised that no point of privilege was raised at the March Council meeting, and that she would not entertain points of privilege from previous meetings. She advised further that she was aware of concerns about statements that Councillor Ford had made subsequent to the March meeting. As this meeting was the first opportunity Members of Council had to raise a point of privilege on those remarks, she would entertain Councillor Vaughan's point of privilege.

Speaker Bussin ruled that the comments made by Councillor Ford subsequent to the last Council meeting were inappropriate. The comments should be withdrawn and Councillor Ford should apologize for his remarks.

Councillor Ford rose and advised Council that he was filing with the City Clerk, copies of approximately 151 e-mail communications he had received from individuals, expressing their support. He advised that it had not been his intention to offend anyone, and that if he had offended anyone in the Asian community, he proudly retracts his statements.

Speaker Bussin ruled that his comments were in fact offensive and requested an apology.
