EX27.1	ACTION	Amended		Ward: All
--------	--------	---------	--	-----------

Speaker Bussin in the Chair.

Motions:

1. Councillor Minnan-Wong moved that the Item be amended by:

a. adding the following:

The General Manager of Parks, Forestry and Recreation, report on how the Capital Plan for Parks, Forestry and Recreation can be adjusted to accomplish the following:

1. the elimination of the state-of-good-repair backlog for arenas and artificial ice rinks; and
2. the construction of at least six new ice rinks by 2012,

such report to be submitted to the meeting of Community Development and Recreation Committee on February 6, 2009, and then forwarded to the Budget Committee.

b. adding the following:

The General Manager of Parks, Forestry and Recreation, report on how the Capital Plan for Parks, Forestry and Recreation can be adjusted to accomplish the following:

- a. the elimination of the state-of-good-repair backlog for swimming pool facilities; and
- b. provision of the necessary Capital funding to implement the vision for the provision of indoor aquatic services in Toronto,

such report to be submitted to the meeting of Community Development and Recreation Committee on February 6, 2009, and then forwarded to the Budget Committee.

- c. adding the following:

The Deputy City Manager for Cluster B be requested to report to the Budget Committee:

1. for its meeting in February, 2009, on how the Capital Plan for Transportation Services can be adjusted to address the \$320 million state-of-good-repair backlog in road repairs; and
2. prior to the 2010 Capital Budget Process, on ways the Greater Toronto Area municipalities and the stakeholders in the construction and roads industry can improve co-ordination to increase their ability to undertake more projects that are part of the roads backlog.

- d. adding the following:

The City Manager, in consultation with the Toronto Parking Authority, report to the Executive Committee on the feasibility of monetizing the assets of the Toronto Parking Authority to be used in the Capital Plan to address the state-of-good-repair of the City's transportation and recreation infrastructure, such report to be submitted as soon as possible and no later than June 2009.

- e. adding the following:

The City Manager, in consultation with Toronto Hydro, be requested to report to the Executive Committee on the options for monetizing Toronto Hydro that would generate funding for the Capital Plan to address the state-of-good-repair of the City's transportation and recreation infrastructure, such report to identify and include any issues related to consumer protection and to be submitted as soon as possible and no later than June 2009.

2. Councillor Holyday moved that the Item be amended by:

- a. amending the 2009 Capital Budget and 2009-2013 Capital Plan for Transportation Services by:

1. deleting \$7.04 million (net \$6.5 million) for the cycling infrastructure projects; and
2. deleting Recommendations 80.1, 80.2 and 80.3 of the Executive Committee regarding winter maintenance on the Martin Goodman Trail.

- b. amending the 2009 Capital Budget and 2009-2013 Capital Plan for Facilities and Real Estate by reducing the budget for the Nathan Phillips Square Revitalization project by \$42.7 million (\$22.2 million capital funding, \$21.06 million from Corporate Reserve Funds).
3. Councillor Ford moved that the Item be amended by:
- a. amending the Capital Budget and 2009-2013 Capital Plan for the 3-1-1 Customer Services Strategy by eliminating the 3-1-1 Call Centre, with \$9.236 million allocated in 2009, and a total cost of \$13.970 million.
 - b. amending the 2009 Capital Budget and 2009-2013 Capital Plan for Transportation Services by eliminating the Bike Plan, with \$7.990 million allocated in 2009, and a total cost of \$70.290 million.
 - c. amending the 2009 Capital Budget and 2009-2013 Capital Plan for Facilities and Real Estate by:
 - 1. eliminating the \$3.145 million allocation for the renovation of the former Father Henry Carr High School in Ward 1;
 - 2. eliminating the \$1.9 million renovation of the 2nd Floor offices at City Hall;
 - 3. eliminating the \$600,000 renovation of the City Hall Wedding Chapel;
 - 4. eliminating the West District Plan for a new Civic Centre, with \$100,000 allocated in 2009, and total project costs of \$67.3 million; and
 - 5. eliminating the renovation of Nathan Phillips Square, with \$5.034 million allocated in 2009, and total project costs of \$42.7 million.
 - d. amending the 2009 Capital Budget and 2009-2013 Capital Plan for the City Clerk's Office by eliminating the \$250,000 renovation of the Wedding Chapels at the Etobicoke, North York, Scarborough, and York Civic Centres.
 - e. amending the 2009 Capital Budget and 2009-2013 Capital Plan for the Waterfront Revitalization Initiative by eliminating Environmental Assessments on the Gardiner Expressway, with \$5.0 million allocated in 2009, and a total cost of \$10 million.

4. Councillor Saundercook moved that motion 1a by Councillor Minnan-Wong be amended by adding a new Part 3, as follows:
 3. the possibility of adding outdoor ice pads to be constructed immediately next to the City of Toronto's existing indoor arenas, so that the existing arenas could offer ancillary services, staff and possible partnership with the community.

5. Councillor Milczyn moved that the Item be amended by adding the following:

The City Manager and the Acting Deputy City Manager and Chief Financial Officer be requested to report to the Budget Committee, for consideration as part of the 2010 Capital Budget, on:

 - a. opportunities to accelerate the Six Points Interchange Redevelopment Project contained in the Transportation Services 10 year Capital Plan; and
 - b. an analysis of the financial benefits of the project by sale of surplus public lands and assessment growth.

6. Councillor Del Grande moved that the Item be amended by:
 - a. amending the 2009 Capital Budget for Wedding Chapel allocations by:
 1. deleting the funding of \$600,000 from Facilities and Real Estate;
 2. deleting the funding of \$.125 million from the City Clerk's Office,and increasing the Capital Budget for Parks, Forestry and Recreation accordingly, with the funds to be utilized towards repairs at Sports Centres/Recreation Centres.
 - b. amending the Capital Budget for Transportation Services by delaying the Dufferin Street Jog and the funds be utilized instead towards either:
 1. 2010 vehicle purchases; or
 2. new community centres,to be determined by the City Manager.

Ruling by Speaker:

Speaker Bussin ruled motion 6b by Councillor Del Grande out of order because the Dufferin Street Jog project has already been approved and is underway.

7. Councillor Walker moved that the Item be amended by:
- a. amending the 2009 Capital Budget and 2009-2013 Capital Plan for Facilities and Real Estate by deleting Recommendation 88 of the Executive Committee regarding Nathan Phillips Square Revitalization and redirecting the \$3.306 million in 2009 Cash Flow to the Operating Budget to provide a grant to the Toronto Community Housing Corporation (TCHC) to address the current backlog for state-of-good-repair (SOGR) maintenance in its housing stock most particularly the 326 apartment units and 45 single-family homes the TCHC proposed to sell but recently deferred the sale of.
 - b. amending the 2009 Capital Budget and 2009-2013 Capital Plan for the Toronto Transit Commission by reducing the 2009 Cash Flow from \$757.560 million to \$709.000 million and redirecting this reduction of \$43.0 million to the Operating Budget to provide a grant to the Toronto Community Housing Corporation (TCHC) to address the current backlog for state-of-good-repair (SOGR) maintenance in its housing stock, most particularly the 326 apartment units and 45 single-family homes the TCHC proposed to sell but recently deferred the sale of.
 - c. adding the following:

City Council increase borrowing (debt) by \$100 million and this specific amount be applied to replenishing the City's Ontario Works (Welfare) Reserve Fund in anticipation of increased demand due to the deteriorating economy.
 - d. adding the following:

City Council increase borrowing (debt) by \$100 million and this specific amount be a grant to rebuild the Toronto Community Housing Corporation's (TCHC) rental housing units in order to provide for tenants a reasonable expectation of quality of life today and attempt to address the current backlog for state-of-good-repair (SOGR) maintenance in its housing stock, most particularly the 326 apartment units and 45 single-family homes the TCHC proposed to sell but recently deferred the sale of.

Ruling by Speaker:

Speaker Bussin ruled motion 7c by Councillor Walker out of order because it would be illegal for the City to borrow to put in a reserve fund.

Councillor Walker challenged the ruling of the Speaker and then subsequently withdrew his challenge.

8. Councillor Nunziata moved that the Item be amended by adding the following:

The City Manager and the Acting Deputy City Manager and Chief Financial Officer be requested to report to City Council, through the Budget Committee, as part of the year-end 2008 Capital Variance Report, on the following:

1. a list of all outstanding Capital projects for which monies were approved, but work has not commenced or been completed, the list to detail the amount of unspent monies for each program; and
2. the major reason for delay of Capital spending.

9. Councillor Palacio moved that the Item be amended by adding the following:

In the event the Provincial Government announces new infrastructure programs, the City Manager and the Acting Deputy City Manager and Chief Financial Officer be authorized to report to the Executive Committee on any adjustments needed to the approved 2009-2013 Capital Plan.

10. Councillor Davis moved that the Item be amended by amending Recommendation 144.1 of the Executive Committee so as to approve funding reallocations within the Toronto Public Health's 2009 Capital Budget, as recommended in the report (December 5, 2008) from the Medical Officer of Health, so that Recommendation 144.1 now reads as follows:

144.1. City Council approve the addition of a new Environmental Reporting, Disclosure and Innovation Capital Project to the Toronto Public Health's 2009 Recommended Capital Budget with a total project cost of \$1.296 million and cash flow requirements of \$0.228 million in 2009 and future commitments of \$0.615 million in 2010 and \$0.453 million in 2011, to be funded through the following reallocations:

- a. a reduction of cash flow and future commitments for the Dental Strategy and Implementation Project by \$0.228 million in 2009, \$0.615 million in 2010, and \$0.453 million in 2011 and an addition of \$1.296 million in 2012;
- b. a reduction of future commitments for HF/HL Point of Care Project by \$1.106 million in 2012 and an addition of \$1.106 million in 2016;
- c. a reduction of future commitments for HL/HF Systems Integration Project by \$0.190 million in 2012 and an addition of \$0.190 million in 2016; and

- d. a reduction of future estimates for Internet and Intranet Strategy Implementation Project by \$1.296 million in 2016.

11. Councillor Cho moved that the Item be amended by adding the following:

City Council request the Federal Government:

- a. to confirm that the funding assumptions in the amount of \$368 million made by the City for the Toronto Transit Commission vehicle purchases will be met; and
- b. to contribute to the Regional Transportation Plan so that Transit City can proceed, i.e., provide their \$6 billion share of the \$17.5 billion MoveOntario 2020 Vision.

12. Councillor Jenkins moved that the Item be amended by adding the following:

In the event City Council implements development charge increases in 2009, the Budget Committee be requested to consider utilization of the revenues, up to \$70 million, on growth-related projects, such as transit growth, community centres, swimming pools and ice rinks; and/or reduction of debentured debt or capital from current in order to reduce the burden upon taxpayers, in accordance with the City's Official Plan.

13. Councillor Perruzza moved that the Item be amended by adding the following:

City Council request the TTC to begin the advanced planning and design work to move ahead as quickly as possible with the construction of the Toronto/York Spadina Subway Extension, in the event the Federal infrastructure funding is received.

14. Councillor Thompson moved that the Item be amended by adding the following:

The General Manager of Parks, Forestry and Recreation, report on the following:

- a. ways by which the City of Toronto can construct recreation facilities for multi-sports activities in a single facility in a cost effective manner; and
- b. innovative financing mechanisms that would be available to fund the construction of these facilities,

such report to be submitted to the meeting of the Community Development and Recreation Committee on April 16, 2009, and then forwarded to the Budget Committee.

15. Councillor Carroll moved that the Item be amended by adding the following:

In the event the Federal Government announces any new infrastructure programs that require City participation or funding, the City Manager be authorized to report on any adjustments required to the approved 2009-2013 Capital Budget.

149. City Council approve, in principle, the 2014-2018 Capital Forecast for the Toronto Public Library totalling \$73.114 million in project estimates, comprised of \$9.079 million in 2014, \$13.563 million in 2015, \$16.298 million in 2016, \$17.290 million in 2017, \$16.884 million in 2018;

and that this forecast be used as a foundation for preparing a 2010 to 2019 Capital Plan and Forecast as part of the 2010 Capital Budget process.

150. The Toronto Public Library review projects included in the Proposed 2014-2019 Capital Forecast to ensure that the debt requested for the 2014 to 2019 period meet the debt target of \$12 million per year.
151. The Toronto Public Library complete a comprehensive audit to assess the SOGR of facilities and equipment in 2009 and be used as the basis to determine the SOGR backlog in Toronto Public Library's 2010 Capital Budget submission.

Toronto Transit Commission:

152. City Council approve the 2009 Recommended Capital Budget for the Toronto Transit Commission (TTC) with a total project cost of \$860.006 million and a 2009 cash flow of \$757.560 million and future year commitments of \$2.778 billion, comprised of the following:
 - a. new cash flow funding for:
 - i. 48 new sub-projects with a 2009 total project cost of \$860.006 million that requires cash flow of \$86.212 million in 2009 and a future year commitment of \$341.830 million in 2010; \$244.591 million in 2011; \$98.801 million in 2012; \$43.863 million in 2013; and \$44.709 million in 2014; and
 - ii. 63 previously approved sub-projects with a 2009 cash flow of \$671.348 and a future year commitment of \$599.213 million in 2010; \$468.804 million in 2011; \$179.949 million in 2012; \$202.875 million in 2013; \$202.341 million in 2014; \$139.807 million in 2015; \$142.396 million in 2016; and, \$68.509 million in 2017; and
 - b. 2008 approved cash flow for 10 previously approved sub-projects with carry forward funding from 2008 into 2009 totalling \$82.169 million.
153. City Council approve new debt costs of \$0.366 million in 2009 and incremental costs of \$2.992 million in 2010; \$7.141 million in 2011; \$4.786 million in 2012; \$1.950 million in 2013; \$0.973 million in 2014 and \$0.798 million in 2015 resulting from the approval of the 2009 Recommended Capital Budget, to be included in the 2009 and future year operating budgets.

154. City Council approve transfers to capital funding from the following capital reserves (the amounts to include carry forward funding of 2008 unspent funds) of: \$69.600 million from the Provincial Gas Tax Revenues for Public Transit Reserve Fund (XR3018); \$33.072 million from the CSIF Reserve Fund (XR3020); \$4.375 million from the TTIP Reserve Fund (XR3023); \$22.392 million from the ORSIF Reserve Fund (XR3024); \$55.444 million in Metrolinx funding from the MoveOntario 2020 Reserve Fund (XR3025); \$57.000 million in Capital Reserve funding also from the MoveOntario 2020 Reserve Fund (XR3025) and \$131.200 million from the Toronto York Spadina Subway Extension Working Capital Fund (XR3027).
155. City Council approve the 2010-2013 Recommended Capital Plan for TTC totalling \$1.560 billion in project estimates, comprised of \$55.380 million in 2010; \$260.594 million in 2011; \$650.157 million in 2012; and \$594.155 million in 2013.
156. City Council consider operating impacts of \$8.336 million from 2009 to 2013 emanating from the approval of the 2009 Recommended Capital Budget, to be included in the 2009 and future year operating budgets.
157. City Council approve, in principle, the 2014-2018 Proposed Capital Forecast for TTC totalling \$2.094 billion in project estimates, comprised of \$525.059 million in 2014; \$380.786 million in 2015; \$397.122 million in 2016; \$446.070 million in 2017; and \$344.794 million in 2018, and that this forecast be used as a foundation for preparing the 2010 to 2019 Capital Plan and Forecast as part of the 2010 Capital Budget process.
158. TTC and City staff continue discussions with the other orders of government on increasing funding for transit in the City of Toronto as outlined in the 2009-2013 Recommended Capital Plan, including funding for the Transit City Plan through MoveOntario 2020 and, if funding is not forthcoming, the TTC and the City review their priorities with regard to major vehicle purchases.
159. City Council approve cash flow funding of \$206.028 million in 2009 and future year commitments for the Spadina Subway Extension, with \$42.076 million in funding carried forward from 2008; a 2009 cash flow of \$89.124 and a future year commitment of \$74.828 million in 2010, given that the project is now fully funded.
- 159.1 City Council request the TTC to begin the advanced planning and design work to move ahead as quickly as possible with the construction of the Toronto/York Spadina Subway Extension, in the event the Federal infrastructure funding is received.

160. City Council approve cash flow funding of \$17.1 million in 2009 for the Transit City Plan to enable the project to continue moving forward in the first quarter of 2009 and that, if Provincial funding of at least \$17.1 million has not been received by April 2009, the TTC reduce spending on other projects by \$17.1 million.
161. The TTC, in conjunction with City staff, report back to Budget Committee when confirmation of Provincial and/or Federal funding for the Transit City Plan is received.
162. The TTC report back to Budget Committee when it receives confirmation of funding for the purchase of 204 new Light Rapid Transit Vehicles, being conditional on a one-third cost share from the Province and a one-third cost share from the Federal government, and the TTC not enter into any long-term commitments before such funding is confirmed.
163. The TTC report back to the Budget Committee when it receives confirmation of funding for the purchase of 36 SRT cars and the TTC not sign contracts for the purchase of SRT cars until the project has received full Provincial or Federal funding.
164. The TTC report back to Budget Committee as part of the June 30, 2009 Capital Budget Variance Report on specific project reductions equal to the 2009 Recommended 10% unspecified reduction of \$47 million to accommodate anticipated under spending in 2009.
165. The TTC submit future capital budget submissions that reflect the recommended 10% budget reductions for the five year period, identifying specific project expenditure adjustments and including all required supporting documentation and financing by project.
166. City Council approve accelerating \$7.550 million in cash flow from 2011 to 2009 and \$2.410 million in cash flow from 2011 to 2010, with no change to the project cost and zero debt impact over the 5 year period, to reflect the payment schedule in the proposed agreement for the purchase of 110 Low-Floor Wheel-Trans vehicles as reflected in the TTC's 2009 Recommended Capital Budget and 2010-2013 Recommended Capital Plan.
167. City Council confirm the City of Toronto as a co-proponent of the Yonge Subway northerly extension project.
168. City Council confirm that City of Toronto staff, along with TTC staff, will participate in the necessary public consultation process for the Yonge

Subway northerly extension project and staff report back on public concerns about the project, as required.

169. City Council approve the request for \$0.3 million in funding (to allow the Yonge Subway northerly extension project to continue until April 2009) as reflected in the TTC's 2009 Recommended Capital Budget.

subject to the following:

- 169.1 City Council approve reallocating \$4.725 million in debt funding from surface track in 2008, so that there is a total of \$12.800 million in funding to the end of 2008 for the Transit City Plan, to reflect the latest 2008 spending estimate as described in the letters dated October 24, 2008 and April 28, 2008 from the General Secretary, Toronto Transit Commission (Items BU40.1b and BU40.1c).
- 169.2 If funding for the Transit City Plan, which is anticipated, is received from the Provincial government, the TTC and the City review the allocation of this debt funding.
- 169.3. City Council approve the following changes to the TTC's 2009 Recommended Capital Budget and 2010-2013 Recommended Capital Plan, conditional on approval by the Commission, to reflect a net reduction of \$15.800 million for the procurement and overhaul of 40 foot buses:
- a. a \$22.300 million increase in 2009 in bus procurement funding to be partially offset by a carry forward of \$17.2 million in funding from 2008 to 2009 as a result of under spending on bus procurement in 2008;
 - b. to offset the remaining \$5.100 million in 2009, the TTC work with the bus manufacturer to defer payments from 2009 to 2010 and/or 2011. Failing this, any remaining required increase in 2009 funding will be addressed through an unspecified budget reduction in 2009; and
 - c. a \$20.100 million decrease in 2010 funding and a \$0.800 million decrease in funding in 2011.
- 169.4. The TTC report back during the first quarter 2009 Capital Variance Report on the deferral of payments in 2009 or with reductions to specific projects to account for the \$5.1 million increase in 2009 funding.
- 169.5. If the deferral of payments results in an increase to the project cost, that increase be offset by equal reductions in other projects.

Toronto Zoo:

170. City Council approve the 2009 Recommended Capital Budget for the Toronto Zoo with a total project cost of \$4.979 million and a 2009 cash flow of \$8.425 million comprised of the following:
