November 19, 2008

To: Executive Committee

From: Parks and Environment Committee

Subject: **Winter Snow Removal on the Martin Goodman Trail**

Decision Advice and Other Information

The Parks and Environment Committee:

1. requested the General Manager, Transportation Services and General Manager, Parks, Forestry and Recreation, to report to the November 25, 2008 Special Executive Committee meeting on any future capital expenditures that may be necessary for clearing snow from the Martin Goodman Trail.

The Committee also:

2. requested the Toronto Cycling Advisory Committee, in consultation with the Toronto Cyclists' Union, to work with City staff in developing an evaluation of the pilot project.
3. requested the General Manager, Parks, Forestry and Recreation, in consultation with the General Manager, Transportation Services, to report to the Parks and Environment Committee on the installation of bike rings for the Martin Goodman Trail and other waterfront parks, including criteria for their installation; and
4. adopted the staff recommendations in the report (October 30, 2008) from the General Manager, Parks, Forestry and Recreation, as amended.

Background:

The Parks and Environment Committee on November 19, 2008 considered the report (October 30, 2008) from the General Manager, Parks, Forestry and Recreation, respecting the feasibility of removing snow from the Martin Goodman Trail during the winter season.

Speakers:

Yvonne Bambrick, Toronto Cyclists' Union addressed the Committee.
