Dear PW&I Committee members:

**Re: (1) 3Rs Working Group 3R Ambassadors proposal the Oct 10, 2008 PW&I**

---

(1) 3Rs Working Group approved Proposal

Since our last report to PW&I on June 27, 2008, the 3RWG have since developed and approved an implementation plan proposal for one of our key project ideas called the 3Rs Ambassador at our Sept 25, 2008 3RWG meeting. This plan is crucial to our vision of assisting the City with its Target 70 initiatives.

The 3RWG would like to present this proposal to PW&I for their approval.

Best regards,

Heather C. Ducharme  
Chair, Toronto 3RWG
