Seconded by: **Mayor Miller**

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Mr. Jose Ferreira, Acting Supervisor, Transportation Services/Road Operations (Etobicoke-York District) on July 3, 2008.

Jose Ferreira's career with the City of Toronto spanned nineteen (19) years. He came to the Etobicoke York District via ward boundary realignment in 2004. He was formerly with the Toronto East York District. Jose became an Acting Supervisor in 2006 because of his demonstrated hard work and ability to work with others effectively. He was a gentle soul and a kind person who would always offer his assistance irrespective of his workload and his work responsibilities. He will be sadly missed.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Jose Ferreira's family.
