# CONDOLENCE MOTION

**Moved by:** **Councillor Feldman**

**Seconded by:** **Councillor Ootes**

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Dimitra Arvanitis on June 28th, 2008.

Dimitra was an activist for the Greek community. Her efforts established the Saturday Greek school program in the public system, so that the language, culture, costume and dance could be passed down to the Greek children in Toronto.

She was quick to criticize when she observed a political injustice, but quicker to compliment those who sought solutions.

She leaves behind her husband Evangelos of 35 years and their three daughters Sophia, Catherine and Tina.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to the Arvanitis family.
