ISSUE BACKGROUND

The Transportation Services Division received a request from the office of Councillor Palacio on behalf of the business owners of 3 Miller Street to allow less restrictive on-street parking adjacent to this property.

COMMENTS

Miller Street is a 7.5 metre wide two-lane, two-way local road with sidewalks on both sides of the street and a posted speed limit of 40 km/h. It is situated between Old Weston Road and Osler Street and extends north to south from Davenport Road to Lindner Street and from Lindner Street to its south terminus.

The current parking regulations in effect for Miller Street are as follows; “No Parking Anytime” on the east side of Miller Street between Davenport Road and the south limit of the roadway; “No Parking, 12:01 a.m. to 6:00 p.m., Monday to Saturday and 12:01 a.m. to 7:00 a.m. Sunday and Public Holidays, except by permit” on the west side of Miller Street between Davenport Road and the south limit of the roadway and; “1 Hour Parking, 6:00 p.m. to 12:00 midnight” on the west side of Miller Street between Davenport Road and the south limit of the roadway.

Allowing the standard 3-hour parking on the west side of Miller Street, for a small section of roadway, (two parking spaces), will have no significant effect on traffic operations or the overnight permit parking requirements. The proposal is supported by the Ward Councillor and staff of Transportation Services who administrate permit parking in this area.
