

## **Liquor Licence Application – Frontline Suga, 1906 Wilson Avenue**

### **SUMMARY:**

An application for a new liquor licence has been made to the Alcohol and Gaming Commission of Ontario (“AGCO”) for an establishment to be known as Frontline Suga located at 1906 Wilson Avenue. The establishment previously operated under the name Tripplestar Restaurant. Tripplestar was licenced until May, 2008. The new application has been brought forward by a new applicant. The application is for an indoor capacity of 44 patrons, and an outdoor capacity of 33 patrons.

The proposed location of the establishment is in an area of the City that has experienced problems with licenced establishments. In order to limit negative impacts on residents in this neighbourhood that may emanate from the proposed establishment, several conditions should be placed on the licence. It is not in the public interest for this licence to be issued unless suitable conditions are attached to the licence.

The purpose of this Motion is to authorize the City Solicitor to advise the AGCO of City Council’s conditional support of a liquor licence at these premises provided that the conditions, substantially in the form below, are attached to the licence.

### **RECOMMENDATIONS:**

1. Council authorize the City Solicitor to advise the AGCO of Council’s conditional support for this application provided that the following conditions, in the form substantially set out below, are attached to the liquor licence:

2. The City Solicitor be authorized to make modifications to the above conditions if deemed necessary and satisfactory to the City Solicitor.
  3. If the applicant is not agreeable to having conditions in the form substantially set out above attached to the licence, that City Council direct the City Solicitor to advise the Registrar of the AGCO that the issuance of the licence is not in the public interest having regard to the needs and wishes of the residents, and that the Registrar should issue a Proposal to Review the application.
