Short-Term Delegation of Authority to Deal with Applications under Parts IV and V of the Ontario Heritage Act During and After the 2010 Municipal Election

Date: March 24, 2010

To: Toronto Preservation Board
Planning & Growth Management

From: Chief Planner and Executive Director, City Planning Division

Wards: All Wards

Reference Number: pg10013

SUMMARY

To delegate authority to the Chief Planner and Executive Director, City Planning Division, to make decisions in relation to applications to repeal designating By-laws and applications to erect, alter or demolish buildings or structures on properties designated under Parts IV and V of the Ontario Heritage Act, (the “Act”) and to give notice of intentions to designate listed properties, until the resumption of regular Council meetings following the October 2010 municipal election.

RECOMMENDATIONS

The City Planning Division recommends that:

1. City Council deem that approval of this report by the Toronto Preservation Board shall be considered to be consultation with the Toronto Preservation Board for all purposes under the Act, including subsections 29(2), 32(2), 33(4), 33(15), 34(2) and 42 (4.1)

2. City Council delegate authority to the Chief Planner and Executive Director (the “Chief Planner”) in consultation with staff of Heritage Preservation Services, to consider and either consent to or refuse applications to repeal designating by-laws, applications to erect, alter or demolish buildings or structures on properties
designated under Parts IV and V of the Act, and to give notice of intention to
designate listed properties, until the resumption of regular Council meetings
following the October 2010 municipal election.

3. City Council direct the Chief Planner to report back to Council through the
Toronto Preservation Board and respective Community Councils at the next
available meeting after the resumption of regular Council meetings following the
October 2010 municipal election with a list of the applications received and the
decisions made during the delegation period.

4. City Council authorize the City Solicitor to introduce any necessary bills in
Council.

Financial Impact
There are no financial implications resulting from the adoption of this report.

ISSUE BACKGROUND
Apart from specific authorities already delegated to the Chief Planner and Executive
Director, City Council is required to consider any applications to repeal a designating by-
law or applications to alter or demolish properties designated under Part IV of the Ontario
Heritage Act (OHA). Under the Act, Council must give notice of its decision within
ninety days of receiving an application to repeal a designating by-law or demolish a Part
IV protected property, and within ninety days after a notice of receipt of the application
has been served on the applicant in the case of an application to alter a designated
property. If council fails to respond within the ninety day period, Council is deemed to
have consented to the application.

In heritage conservation districts, which are designated under Part V of the OHA, the
requirement for Council to give notice differs because of the method of approving
permits as set out in Article IV of Chapter 103, Heritage, of the Municipal Code. For
certain exterior alterations specified in the Municipal Code, permits are deemed to have
been given by Council or, for alterations that conform to the district guidelines, staff may
grant permits on Council’s behalf. When the application does not conform to the district
guidelines or demolition of a building or structure is proposed, Council, and not staff, is
required to make a decision within ninety days after notice of receipt has been served on
the applicant. If Council fails to respond within the ninety-day period, Council is deemed to
have consented to the application.

In addition to designation, Council has expressed its heritage interest in properties by
listing them in the City’s Inventory of Heritage Properties. Although such listed
properties are not designated under either Part IV or Part V of the Act, they are
considered worthy of designation by both the Toronto Preservation Board and by
Council. When an application is made to demolish buildings on a listed property or
where a proposed alteration will result in an unacceptable degree of impact on the
heritage value of the resource, if Council does not express its intention to designate the
property under the Act, within 60 days of receiving written notice of the owner’s
intention to demolish or remove the building or structure, provided that all other conditions are met, the Chief Building Official is required to issue a demolition permit. Likewise, building permits cannot be held for alterations to listed buildings unless Council has stated its intention to designate.

COMMENTS
In 2010 the last Council meeting before the municipal election is scheduled for August 25-26 and the last Council meeting for the year is scheduled for December 16, 2010. In this interim period there may be heritage-related applications that require a response from Council. As there will be no opportunity to seek Council approval of any alterations to or demolition of heritage buildings, the ninety-day response period, (sixty days in the case of listed buildings) may expire, in which case Council will be deemed to have consented to such applications. As failure to respond may result in the inappropriate alteration or demolition of significant heritage buildings, it is necessary to have another mechanism in place to deal with applications, until such time as Council is in a position to render a decision.

Accordingly, it is desirable to direct the Chief Planner to consider and either consent or to refuse applications to repeal designating by-laws and applications to erect, alter or demolish buildings or structures on properties designed under Part IV and V of the Act, and to give notice of intention to designate listed properties upon receipt of an application to alter or demolish, until the resumption of regular Council meetings following the 2010 municipal election. This interim process will cease once the regular Community Council and City Council meeting cycle has convened.
