ISSUE BACKGROUND

The new TTC York University bus route is located between Downsview Station and York University. Part of the bus route, between Dufferin Street and Keele Street, is on a private right of way and is not officially identified. To assist in the dispatch of emergency services, the right of way should be officially named as the “York University Busway”.

COMMENTS

The name “York University Busway” has been circulated for comment and is acceptable to the Toronto Transit Commission, Councillor Perruzza, the North York Preservation Panel, Police, Fire and Emergency Medical Services.

The proposed name is consistent with the City of Toronto Street Naming Policy approved by City Council at its meeting held on August 1, 2, 3 and 4, 2000 and amended May 30, 31 and June 1, 2001 and should therefore be approved for identifying the private right of way.

Notice to name the private right of way, under the *City of Toronto Act, 2006*, will be given in accordance with the notice requirement set out in Chapter 162-3A of the City of Toronto Municipal Code.
