The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Robert “Bob” Chabot on July 22, 2010, after a long battle with cancer.

Robert Chabot was a local businessman and strong supporter of the Emery Village BIA. He operated business (Centennial Sweeping) in the Emery Village area since 1967. Robert Chabot was instrumental in the founding of the Emery Village BIA in 2003 in which he was an active member who gladly participated and volunteered his time to Emery Village BIA events, most notably, making his traditional appearance as Santa Claus at the Annual Emery Village BIA Lighting Ceremony.

Bob is survived by his wife Lina, his children Lorraine and Raymond and his extended family. Bob will be greatly missed.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Robert Chabot’s family.
