

A partnership of Mount Sinai Hospital & The Kwong Family

**A centre for wellness, care, outreach, community, cultures, creativity, innovation & research.**

**Community Service**

- non-profit program, valuable for community + city
- providing critically needed outreach to an under-served population
- award-winning, internationally recognized program
- advancing mental health + health equity of minority groups

**Community Driven**

- an excellent track record for community engagement
- collaborations with over 100 community agencies
- community consultation + neighbourhood walkthrough
- city councillor consultation
- possible due to generosity of a community member

**407 Huron Street**

Proposed Conversion  
of Former Fraternity House  
to Mount Sinai Hospital /  
Kwong Centre for Health and Wellness
