To the Council of the Corporation of the
City of Toronto and the Committee of Management for the George Bell Arena

We have audited the accompanying financial statements of **Committee of Management for the George Bell Arena**, which comprise the Statement of Financial Position as at December 31, 2010, statement of operations and accumulated surplus, statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting

estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the ~~Committee of Management for the George Bell Arena~~ as at December 31, 2010, and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Committee of Management for the George Bell Arena

Notes to the Financial Statements

December 31, 2010

1. Establishment and operations

The George Bell Arena was established as a community recreation centre under the Community Recreation Centres Act, pursuant to Chapter 25 of the City of Toronto Municipal Code, by By-law No. 21259, as amended. The Committee of Management operates and manages the Arena on behalf of the City of Toronto.

Under the By-law, the Committee of Management, at the end of each fiscal year, shall pay to the City all revenue received by the Committee over and above that necessary to pay all the charges, costs and expenses resulting from or incidental to the management and control of the premises.

The Committee retains a working cash advance provided by the City, for the management and control of the premises, to be returned to the City upon the Committee's ceasing to function for any reason.

2. Significant accounting policies

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles for local governments, as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants. Significant aspects of the accounting policies adopted by the Board are as follows:

Sources of generally accepted accounting principles

- (a) Revenues and expenditures are recorded on an accrual basis.
- (b) Inventories held for resale are valued at cost.
- (c) Tangible capital assets - any acquisitions are recorded at cost. Amortization is provided on a straight-line basis over their estimated useful lives as follows:

Computer equipment	- 3 years straight-line
Furniture and equipment	- 5 years straight-line

Prior to 2009, it was the Arena's policy to expense purchases of capital assets in the period acquired. Commencing January 2009, Canadian generally accepted accounting principles for local governments as prescribed by the Public Sector Accounting Board required entities to retroactively record these purchases as capital assets and amortize them over their useful lives, except in those circumstances where the necessary financial information was not reasonably determinable. As the Arena could not readily determine the financial information necessary to retroactively record capital assets, all capital asset purchases prior to 2009 have been recorded at a nominal amount and all capital assets acquired subsequent are being capitalized and amortized in accordance with the Arena's policies.

Committee of Management for the
George Bell Arena

Notes to the Financial Statements

December 31, 2010

2. Significant accounting policies (continued)

- (d) Major capital expenditures are financed by the City of Toronto, which owns the facility. Major capital expenditures and services provided without charge by the City are not recorded in these financial statements.
- (e) Ice rentals paid in advance are recorded as deferred revenue.
-

3. Operating deficit receivable from (payable to) the City of Toronto

	<u>2010</u>	<u>2009</u>
The amount due from (to) the City of Toronto consists of the following:		
Balance, beginning of year	\$ 28,606	\$ 32,583
Current year's net (surplus) expenditure	(11,374)	2,353
Funds received during the year	<u>(26,253)</u>	<u>(6,330)</u>
Balance, end of year	\$ <u>(9,021)</u>	\$ <u>28,606</u>

4. Recoverable from the City of Toronto - energy retrofit (see also Note 6)

On March 7, 2006, the Arena signed a letter of Agreement with the City of Toronto for capital improvements, specifically an energy retrofit, of \$141,437. On completion of the project the City advised the Arena Board that the annual repayment to the City will be \$15,653 over 8.84 years for a total amount of \$138,373. This amount has been reported as both capital funding and an expense in 2008. Corresponding amounts have been recorded as funding to be received from the City of Toronto. This amount will be received from the City of Toronto when the energy retrofit loan payments of \$15,653 per year are expensed.

5. Employee-related liabilities

The Arena participates in a benefit plan provided by the City of Toronto. The Arena provides administrative employees with long term disability benefits and the continuation of health, dental and life insurance benefits to disabled employees.

Due to the complexities in valuing the benefit plans, actuarial valuations are conducted on a periodic basis. The most recent actuarial valuation was completed during 2009 and has been extrapolated to provide the accrued benefit obligation as at December 31, 2009.

Committee of Management for the
George Bell Arena

Notes to the Financial Statements

December 31, 2010

5. Employee-related liabilities (continued)

Information about the Arena's employee benefits, other than the multi-employer, defined benefit pension plan noted below, is as follows:

	<u>2010</u>	<u>2009</u>
Long term disability benefits	\$ 357,936	\$ 370,586
Deduct: Unamortized actuarial loss	<u>78,147</u>	<u>82,622</u>
Employee benefit liability	\$ <u>279,789</u>	\$ <u>287,964</u>

The continuity of the accrued benefit obligation during 2010 is as follows:

	<u>2010</u>	<u>2009</u>
Balance, beginning of year	\$ 287,964	\$ 294,209
Current service cost	-	-
Interest cost	15,448	15,756
Amortization of actuarial loss	12,360	12,360
Expected benefits paid	<u>(35,983)</u>	<u>(34,361)</u>
Balance, end of year	\$ <u>279,789</u>	\$ <u>287,964</u>

Expenditures in 2010 relating to employee benefits are included on the statement of operations and include the following components:

	<u>2010</u>	<u>2009</u>
Current services cost	\$ -	\$ -
Interest cost	15,448	15,756
Amortization of actuarial loss	<u>12,360</u>	<u>12,360</u>
	27,808	28,116
Less expected benefits paid during year	<u>(35,983)</u>	<u>(34,361)</u>
Total expenditures related to long term disability benefits	\$ <u>(8,175)</u>	\$ <u>(6,245)</u>

The Arena makes contributions to the Ontario Municipal Employees Retirement System (OMERS), which is a multi-employer plan, on behalf of most of its employees. This plan is a defined benefit plan, which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rate of pay.

6. Loan payable to the City of Toronto - energy retrofit

The loan is non-interest bearing and repayable in annual instalments of \$15,653.

	<u>2010</u>	<u>2009</u>
City of Toronto - loan payable	\$ <u>91,414</u>	\$ <u>91,414</u>

The prior year's balance has been revised to reflect total debt repayment expensed to date.

**Committee of Management for the
George Bell Arena**

Notes to the Financial Statements

December 31, 2010

7. Vehicle and equipment replacement reserve

These contributions are for the financing of replacement ice resurfacer machines required by the Arena Boards in future years. The arena contributed \$9,355 per year commencing in 2004 until 2008 and in 2009 the contribution was increased to \$10,000.

8. Fair value of financial instruments

The carrying value of cash, accounts receivable, due from and to City of Toronto, accounts payable and accrued liabilities reflected in the balance sheet approximate their respective fair value, due to the relatively short term nature of the instruments and/or due to the interest rates on the borrowing.
