Origin

(January 4, 2011) Report from the City Manager

Summary

In December 2008 Council endorsed the City of Toronto's participation in a bid for the 2015 Pan / Parapan American Games to be held in Toronto and the Greater Golden Horseshoe.

In February, 2009 Council approved investments totalling \$49.5M (in 2008 dollars, subject to adjustments for construction cost inflation) in six City-owned assets to be used as training, competition and festival venues during the Games. Council also authorized the City Manager to negotiate, approve and execute on behalf of the City of Toronto a Multi-Party Agreement (MPA) and supporting agreements with various bid partners, including the Government of Ontario, Government of Canada, and the Canadian Olympic and Paralympic Committees.

In November 2009, the Pan American Sports Organization awarded Toronto the right to host the 2015 Games. Shortly thereafter, a not-for-profit organization, the Toronto Organizing Committee for the 2015 Pan American and Parapan American Games (TO2015) was established with a mandate to plan, organize, promote, finance, and stage the 2015 Games.

This report:

1. updates Council on key elements of the Pan Am Games Multi-Party Agreement (MPA);
2. outlines recent activities of TO2015, including its plan to establish clusters of training and competition venues in Scarborough, North York, Etobicoke and downtown Toronto which will enable residents from across the city to participate in the Games and benefit from its legacy of community and recreational infrastructure improvements;
3. advises that Council will be asked to consider as part of the 2011 Capital Budget process additional Pan Am Games related capital investments of up to \$47 million; and
4. seeks Council authority for appropriate City officials to enter into agreements related to the soil remediation of City-owned and University of Toronto land located on top of a portion of the lands known as the Morningside landfill site that will be used for the Pan Am Aquatic Centre / Canadian Sport Institute Ontario (PAAC/CSIO) facility in Scarborough, as well as agreements related to the facility's ownership, management and operations.
