To the City Manager of the City of Toronto:

This letter has been prepared at the request of Toronto City Council to obtain assurance that expenditures incurred
by the Lobbyist Registrar’s Office of the City of Toronto (LRO) are in compliance with the applicable policies and
procedures, including appropriate exercise of delegated authorities as set by the City of Toronto.

- Chapter 257, Signing Authority (spending authority set at the level of a Division Head)

Copies of the above City of Toronto policies and procedures and web-links to the City of Toronto related delegated authorities were provided by the City Clerk’s Office.

We selected a statistical sample of transactions to be tested based on the number of entries in each Cost Element and examined those transactions for compliance with the applicable policies and procedures of the Matrix, including appropriate exercise of delegated authorities with underlying supporting documents for adherence to the policies, procedures and delegated authorities noted above.

As a result of applying the above procedures, we found no exceptions to the adherence to the policies, procedures and delegated authorities as they applied to our test sample.
