Addendum to concern No. 12 in the application to the Compliance Audit Committee

Re: Fair Market Value for Recreation Vehicle rental

R.V. Dealers: Rental Rates: 30 foot RV

1. Fraserway RV (national chain) Cookstown, ON

July 4 to October 31: \$21 639.30 29-31 ft.

Same dates: \$16 204.20 19-21 ft. RV

2. Motor Home Travel Inc. Bolton, ON

July 1 to October 31: \$31 595 (Class A MHA30, 2-3 slideouts)

3. Outdoor Travel, Hamilton, ON

July 1 to October 31: (phone quote, not confirmed) 31 ft. 1 slideout
\$14 000 (highly discounted price)

4. M & E RV Rentals, Kingston, ON

July 1 to October 31 \$25 800

These amounts found in my research are far in excess of the \$1 808 charged to the Rob Ford Campaign for a 4 month rental of a large RV. By my calculation this is about \$15 a day, \$105 a week, while the market rate for the confirmed prices ranges from \$1 000 to \$2 100 a week, depending on the month. To me, that's what ordinary people would pay.
