

**Toronto Prosperity Initiative
establishing a path to growth**

**Advisory Committee Report
June 2011**

Advisory Committee Members

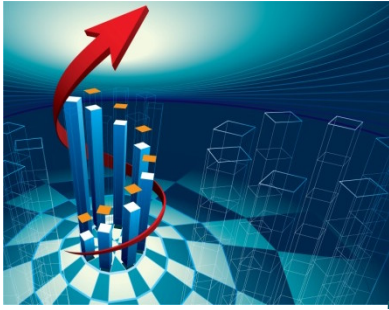

Process

- Previous strategies, reports and proposals.
- Information and perspectives from wide and diverse networks
- Frank exchange of views
- Focus on short term, actionable improvements

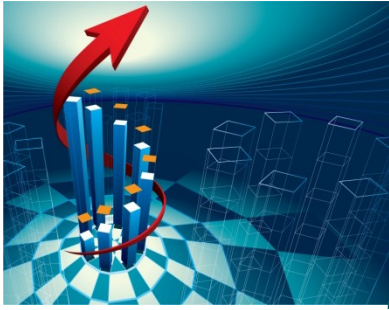

Recommended Immediate Action Areas

- Management by Performance
- Re-engineer the Business/Government Interface
- City Owned Property – Creating Value/Reducing Costs
- Outreach and Collaboration

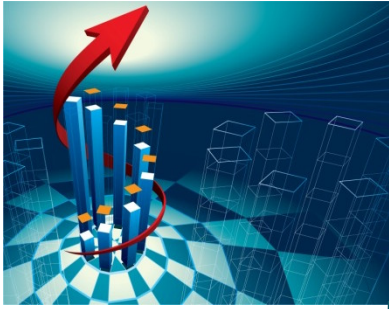

Future Initiatives

- Labour Force Development
- Strategic Industry Sectors
- Non-Land City Assets
- Positioning

Conclusions

A Call to Action

- Concrete, actionable recommendations
- Focus on measurement, accountability and collaboration
- Catalyst for cultural change, past practices to best practices and efficient use of assets
- Re-establish trust and confidence necessary to advance longer term aspirational initiatives
- Urgency
