Executive Committee  
Toronto Atmospheric Fund

July 20, 2011

To Whom It May Concern:

The Toronto Atmospheric Fund (TAF) has been an essential partner for our organization of youth employment centres. It forms an essential service provided by the City of Toronto to support non-profits such as ourselves find employment for youth, get access to private partnerships, and reduce greenhouse gases through our Solar Energy Installation Training programs.

TAF represents the kind of innovation the city should be embracing in times of growth and austerity. It represents some of the best activities a municipal government can undertake to increase the quality of their citizens' lives.

Please do not hesitate to contact me for more information.

Sincerely,

---
