To: Chair and Members, Etobicoke York Community Council

At its meeting on August 25, 26 and 27, 2010, City Council adopted, as amended, Etobicoke York Community Council Item EY39.4, headed "2464, 2474, 2490 and 2500 Bloor Street West (1 and 2 Old Mill Drive) – Zoning Amendment Application – Final Report". The intersection of Riverview Gardens and Bloor Street West will be realigned opposite South Kingsway as a part of the redevelopment of this property.

The residents north of Bloor Street West are concerned that introducing the northbound through movement at the south approach to the Bloor Street West/South Kingsway/Riverview Gardens intersection will result in the infiltration of vehicle traffic into the neighbourhood from South Kingsway.

**Recommendations:**

That Etobicoke York Community Council recommend that:

1. City Council prohibit the northbound through movement at the south approach to the Bloor Street West/South Kingsway/Riverview Gardens intersection, concurrent with realigning Riverview Gardens and South Kingsway.
