

City Councillor – Ward 17 • Davenport

August 15, 2011

To: Chair and Members of Etobicoke York Community Council

Re: **All-Way Stop Control - Ennerdale Road and Holmesdale Road**

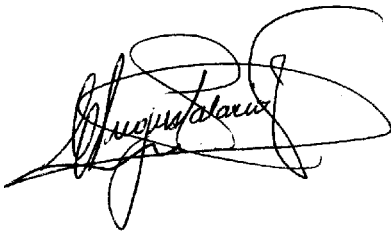

At its June 22, 2011 meeting, the EYCC deferred consideration of this Item to its September 12th meeting. The Community Council also requested the Acting Director, Transportation Services, to meet with the local Councillor and area residents to assess residents' concerns respecting local traffic, and to conduct traffic counters to measure speed limits and traffic flow during rush hours on week-days and week-ends, and report back with the findings.

As the meeting with area residents has not yet been held, I am requesting that this Item be deferred to the November 2, 2011 meeting of the Etobicoke York Community Council. This will allow sufficient time for the community meeting and for Transportation Services to conduct the required traffic studies.

Recommendation:

That the Etobicoke York Community Council defer consideration of this Item to its November 2, 2011 meeting, in order to allow the Acting Director, Transportation Services, or his designate, to:

1. Meet with the local Councillor and area residents to assess residents' concerns respecting local traffic; and
2. Conduct traffic counters to measure speed limits and traffic flow during rush hours on week-days and week-ends, and report back to the Etobicoke York Community Council with the findings.

Cesar Palacio
Toronto City Council
