**RE: CLOSURE AT SOUTH END OF WINDSOR ROAD**

**Wednesday November 2, 2011- 10:00 am**

**At Etobicoke Civic centre**

**339 The West Mall**

We the Residents of Windsor Road and Kingsview Village want/demand that the **passageway/gate at the south end of Windsor Road be closed for the following reasons .**

In the last 6 months , there have been 3 shootings at that location. It is a **safety concern** for all the residents in the Kingsview Village area. There has also been an increase in theft, vandalism and noise at night especially on Windsor Road. We pay high taxes and the value of our homes is going down.

**If you cannot attend and would like to show your support for this closure , please sign below :**
