Dear Mayor Ford & Members of Toronto City Council,

We are a Federation of Chinese Canadian parents from across the City of Toronto. Our children are students at all levels of public education institutions within and beyond the City of Toronto.

Our parents are gravely concerned about Maclean Magazine's story about university campuses titled, "Too Asian." We are concerned about a backlash against Asian students that could affect the educational opportunities for our Chinese Canadian students. We are therefore writing in support of the motion that the City of Toronto disassociate itself from the Maclean's story and that the City requests Maclean's to apologize unreservedly for the negative stereotyping of the Asian-Canadian community.

Thank you and we look forward to your prompt attention to the matter.

Yours sincerely,

譚
