HISTORY:

In the recent approval for the construction of 2885 Bayview Avenue, a restaurant usage was not permitted.

RECOMMENDATIONS:

That the City Solicitor be authorized to retain if necessary an outside planning consultant to give evidence at the Ontario Municipal Board on behalf of the City with respect to a Committee of Adjustment application for 2885 Bayview Avenue which was refused by the members of the Committee of Adjustment and appealed by the applicant to the Ontario Municipal Board for their consideration.
