**Re: PG 9.3 – 3621 Dufferin Street
Planning and Growth Management Committee Meeting 9 - November 8, 2011**

Dear Chair and Members of the Committee:

This letter is to indicate my support for the request submitted by Canada Lands Company (CLC) Limited, to amend Recommendation 2 in the Preliminary Report dated October 24, 2011. This amendment would permit staff to proceed with the Community Consultation meeting in 2012, opposed to upon completion of the Official Plan and Municipal Reviews, as currently proposed in the Recommendations contained in the Preliminary Report.

I feel that, as Ward Councillor, it is important that the community should be given the opportunity to participate in the Official Plan and Municipal Reviews, as it relates to CLC's applications, as the comments provided by the community will provide Planning with valuable input on the proposed land use changes.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Maria Augimeri".
