Dear Ms. MacDonald:

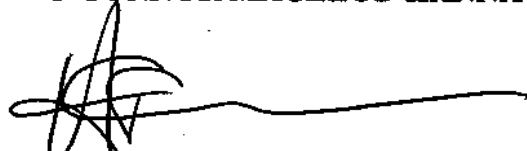

**RE: Repeal of By-law 1156-2010
Notice of Public Meeting: May 10, 2011**

We are the solicitors for Park Smart Inc. and Epic Parking Control Services Inc., who have appealed the Zoning By-law 1156-2010 adopted by Council on August 27, 2010.

As set out in our Notice of Appeal, it is our position that the provisions appealed by our clients do not represent good planning and are deficient and inappropriate for the stated reasons. It is also the position of our clients, that the process that lead to the adoption of the By-law was fundamentally flawed. As such, our clients would be very supportive of a decision to repeal Zoning By-law 1156-2010.

Yours very truly

O'CONNOR MACLEOD HANNA LLP
