To the City Clerk:

Please add my comments to the agenda for the May 30, 2011 Planning and Growth Management Committee meeting on item 2011.PG5.1, 328 Dupont St (also includes 330, 332, 344, 358 and 374 Dupont Street) - Official Plan Amendment Application - Refusal Report

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments:

The Annex Residents Association passed a motion unanimously at our May Board meeting opposing the re-development plan outlined in 2011.PG5.1. The motion reads as follows:

“Motion: that the ARA opposes the change in the designation or development until such time that the Dupont visioning study, undertaken by the ARA, is completed within the next 12 months.”

We believe the Dupont Ave. corridor (from Avenue Road to Ossington) requires serious examination before any re-zoning or major planning application can be considered.

Sincerely,

David Harrison

Chair, Annex Residents Association
