

CONDOLENCE MOTION

Moved by: Councillor John Parker

Seconded by: Councillor Mary Fragedakis

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of John Carcary Miller on December 26, 2010.

John Miller was a cornerstone of the community in East York where he served as Fire Chief from 1989-1998. His years of service were recognized in 2000 when the City of Toronto renamed the Donlands/Cosburn Fire Station the *John C. Miller Fire Station*, commemorating his total of thirty-seven years of dedicated commitment to fire fighting and protection in the community.

John was born in Dundee Scotland, where he met his wife Mae. Father of two, grandfather of four, and great grandfather of two, his service extended not only to the community, but to the lives of his friends and loved ones.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to John Miller's family and loved ones.
