CONDOLENCE MOTION

Moved by: Councillor Janet Davis

Seconded by: Councillor Mary Fragedakis

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Charles (Butch) Windsor, on Saturday October 22, 2011 at the age of 60 years.

Butch graduated from Carleton University with a degree in Urban Planning, and operated a planning business called Plan Ontario for many years. While he did much of his professional work in communities in Northern Ontario, Butch was a long-time resident and leader in the Crescent Town neighbourhood in East York.

For over 30 years, Butch contributed to his community and held a number of leadership positions in local organizations. He served as Chair of the Crescent Town Club, President of the Crescent Town Tenants' Association, and President of the Crescent Town Community Association. He served as chair of Flemingdon Legal Services, 54 Division Community Police Liaison Committee, and East York Meals on Wheels.

Butch was a hard-working, dedicated and passionate advocate for individuals and his community. He worked tirelessly to keep Crescent Town a vibrant, caring and safe community for all its residents. He will be greatly missed.

Butch Windsor passed away peacefully after living with cancer for many years. He was the beloved son of Elizabeth Helen and the late George Hilton Windsor, brother of Jim, Lynne, Tom and Peter, and father of Dustin and Holly.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Charles (Butch) Windsor's family and friends.
