Date: December 8, 2010

Re: Appointments of Members as the Mayor's Designate

This will confirm that I agree with the recommendations brought forward by Deputy Mayor Doug Holyday and give my consent to the appointment of Members as the Mayor's designate to committees, boards and corporations, where noted in Deputy Mayor Holyday recommendations.

I also advise that I will not be taking my seat on the Toronto Police Services Board for the current two year term.

Mayor Rob Ford
