December 15, 2010

Ms. Ulli Watkiss
City Clerk
City of Toronto
West 13th Floor
100 Queen Street West, City Hall
Toronto, ON M5H 2N2

Dear Ms. Watkiss:

Re: City of Toronto Appointment to Partners in Project Green: A Pearson Eco-Business Zone Steering Committee

Toronto and Region Conservation Authority has initiated, in partnership with the Greater Toronto Airports Authority (GTAA), the Region of Peel, the City of Toronto, and the cities of Mississauga and Brampton, Partners in Project Green: A Pearson Eco-Business Zone (PPG) to develop North America's largest eco-business zone on the industrial lands surrounding Toronto Pearson International Airport. The aim of the project is to assist existing businesses in improving their financial and environmental performance, while acting as a catalyst for attracting new eco-economic investment into the business area.

This program is being led by a multi stakeholder Steering Committee. The City of Toronto's representative on the Partners in Project Green Steering Committee was Suzan Hall. As a result of the recent municipal election, we respectfully request that the City of Toronto appoint a new member for the second term of the Partners in Project Green Steering Committee. We are extremely grateful for the City of Toronto's continuing support of Partners in Project Green and we look forward to continuing to work together on this exciting initiative.

For your information, enclosed please find a copy of the Partners in Project Green Terms of Reference.

Should you have any questions or require additional information, please do not hesitate to contact Chris Rickett, Senior Project Manager, Partners in Project Green at 416-661-6600, extension 5316 or via email at crickett@trca.on.ca.

Yours truly,

Brian Denney

Brian Denney, P.Eng.
Chief Administrative Officer
