COMMENTS

Subsequently, Transportation Services was requested by Toronto Parking Authority to amend the current pay parking hours of operation on Huntley Street and Howard Street in order to help harmonize the pay parking hours of operation with that of streets found in the surrounding area. Specifically, the operating hours of the parking machines will change to encompass the entire period on Saturday from 8:00 a.m. to 9:00 p.m. on Howard Street, and that a two hour period from 7:00 p.m. to 9:00 p.m. Monday to Friday will be added on Huntley Street. Permit parking regulations on these streets will not be impacted. There is no transit service on either Huntley Street or Howard Street.
