The report also provides clarification with respect to the calculation of gross floor area under the respective by-laws.

RECOMMENDATIONS

The City Planning Division recommends that City Council replace the recommendations in Item TE 4.5 Final Report dated January 18, 2011, from the Director, Community Planning, Toronto and East York District, with the following:

1. City Council amend Zoning By-law 438-86, for the lands at 630 – 642 Queen Street East substantially in accordance with the draft Zoning By-law Amendment attached as Attachment 1 to the report dated February 7, 2011, by the Director, Community Planning, Toronto and East York District.

3. City Council authorize the City Solicitor to make such stylistic and technical changes to the draft Zoning By-law Amendments as may be required.

4. City Council authorize that the cash-in-lieu of parkland dedication which is in excess of 5% be directed to Don Mount Park (at Carroll and Thompson Streets).

5. City officials to take all necessary steps to give effect to the above-noted recommendations.

Financial Impact
The recommendations in this report have no financial impact.

COMMENTS
The Final Report dated January 18, 2011, from the Director, Community Planning, Toronto and East York District, recommends approval and advises City Council that the draft amending zoning by-laws for the proposal were being reviewed by City Divisions and would be distributed at the public meeting.

City Planning staff, in consultation with the City Solicitor and Building staff, have prepared draft amendments to the former City of Toronto Zoning By-law and the new City-wide Zoning By-law that implement the proposal.

For clarification purposes, the calculation of gross floor area is different under each By-law, with the new City-wide Zoning By-law 1156-2010 being more inclusive. As such, the total gross floor area would be 6,950 m² under Zoning By-law 438-86, and 8,608 m² under Zoning By-law 1156-2010. The different calculations result in a floor space index of 5.12 and 6.36 under the By-laws, respectively. The draft Zoning By-law amendments are included as Attachments No. 1 and 2.
