SUMMARY

This staff report is about a matter for which Community Council has delegated authority from City Council to make a final decision.

Transportation Services is seeking authority to rescind the alternate side parking regulations on Bastedo Avenue, between Hanson Street and Danforth Avenue. On-street parking will be provided on the east side only between Hanson Street and Stacy Street, and on the west side only between Stacey Street and Danforth Avenue. This will maximize the number of spaces and will have negligible impact on traffic operations. However, street cleaning on the parking side could be difficult.

RECOMMENDATIONS

Transportation Services recommends that Toronto and East York Community Council:

1. Rescind the “Alternate Side Parking, 16th day to the last day of each month, inclusive” regulation on the east side of Bastedo Avenue, between Danforth Avenue and Hanson Street.

2. Rescind the “Alternate Side Parking, 8:00 a.m. to 6:00 p.m. on the first day to the 15th day of each month, inclusive” regulation on the east side of Bastedo Avenue, between Danforth Avenue and Stacy Street.

3. Rescind the “Alternate Side Parking, first day to the 15th day of each month, inclusive” regulation on the west side of Bastedo Avenue, between Danforth Avenue and Hanson Street.
4. Rescind the “Alternate Side Parking, 8:00 a.m. to 6:00 p.m. on the 16th day to the last day of each month, inclusive” regulation on the west side of Bastedo Avenue, between Danforth Avenue and Stacy Street.

5. Rescind the “No Parking, Anytime from December 1 of one year to March 31 of the next following year, inclusive” regulation on the east side of Bastedo Avenue, between Danforth Avenue and Hanson Street.

6. Rescind the “12:01 a.m. to 7:00 a.m. Permit Parking, All times, except no parking first day to the 15th day of each month, inclusive, from April 1 to November 30, inclusive” regulation on the west side of Bastedo Avenue, between Hanson Street and Stacy Street.

7. Rescind the “12:01 a.m. to 7:00 a.m. Permit Parking, All times, except no parking 16th day to the last day of each month, from April 1 to November 30, inclusive; and no parking anytime from December 1 of one year to March 31 of the next following year, inclusive; and no parking anytime from a point 45 metres north of Stacy Street to a point 5.5 metres further north” regulation on the east side of Bastedo Avenue, between Stacy Street and Danforth Avenue.

8. Amend the “12:01 a.m. to 7:00 a.m. Permit Parking, All times, except no parking first day to the 15th day of each month, inclusive, from April 1 to November 30, inclusive” regulation on the west side of Bastedo Avenue, between Stacy Street and Danforth Avenue, to “12:01 a.m. to 7:00 a.m. Permit Parking, All times”.

9. Amend the “12:01 a.m. to 7:00 a.m. Permit Parking, All times, except no parking 16th day to the last day of each month, inclusive, from April 1 to November 30 inclusive; and no parking anytime from December 1 of one year to March 31 of the next following year, inclusive” regulation on the east side of Bastedo Avenue, between Hanson Street and Stacy Street, to “12:01 a.m. to 7:00 a.m. Permit Parking, All times”.

10. Amend the "One hour time limit parking, 8:00 a.m. to 6:00 p.m. from December 1 of one year to March 31 of the next following year, inclusive" regulation on the west side of Bastedo Avenue, between Stacy Street and Danforth Avenue, to "One hour time limit parking, 8:00 a.m. to 6:00 p.m., Monday to Saturday".

11. Implement a “No Parking Anytime” regulation on the east side of Bastedo Avenue, between Stacy Street and Danforth Avenue.

12. Implement a “No Parking Anytime” regulation on the west side of Bastedo Avenue, between Hanson Street and Stacy Street.

Financial Impact
Funds to undertake the necessary signage adjustments in the estimated amount of $1000 are contained in the Transportation Services Division 2011 Operating Budget.
ISSUE BACKGROUND
Councillor Mary-Margaret McMahon has requested that alternate side parking on Bastedo Avenue be rescinded in order to maintain parking on the side of the road with more spaces.

COMMENTS
Bastedo Avenue is a north/south local roadway that runs south from Danforth Avenue and comes to a dead-end just south of Hanson Street, east of Coxwell Avenue. Bastedo Avenue is intersected midway by Stacy Street. There is no TTC service on Bastedo Avenue. The parking regulations and number of spaces on Bastedo Avenue are as follows:

Between Hanson Street and Stacy Street:

- Alternate-side parking, with parking on the west side during the winter months
- where parking is allowed, parking is by permit only between 12:01 a.m. and 7:00 a.m..

There are 22 spaces available on the east side and 15 spaces available on the west side.

Between Stacy Street and Danforth Avenue:

- Alternate-side parking, with parking on the west side during the winter months
- where parking is allowed, there is a one-hour maximum from 8:00 a.m. to 6:00 p.m., Monday to Saturday, and parking is by permit only from 12:01 a.m. to 7:00 a.m..

There are 24 spaces available on the east side and 31 spaces available on the west side.

On the dead-end section of Bastedo Avenue south of Hanson Street:

Parking is provided at all times on the west side of the street, with permit parking only between 12:01 a.m. and 7:00 a.m.
It is feasible to rescind the alternate side parking regulations on Bastedo Avenue in order to maximize the number of spaces. Parking would be maintained on the east side of Bastedo Avenue, between Hanson Street and Stacy Street, and on the west side, between Stacy Street and Danforth Avenue. This would result in an increase of 7 parking spaces year round and have a negligible impact on traffic operations. However, street cleaning on the parking side could be difficult.
