**Re: New Business- Request to Designate 81 Wellesley Street East
under Part IV of the Ontario Heritage Act**

The building at 81 Wellesley Street East is an architecturally significant structure but is not currently protected by heritage designation. The building is clearly a surviving part of the early neighbourhood development of this area.

In order to preserve the building as an important heritage resource, I am requesting City staff undertake a process to review it for designation under Part IV of the Ontario Heritage Act.

Recommendations:

- 1) Direct the Acting Director, Policy and Research, to report back to Toronto and East York Community Council on the possibility of designating the building at 81 Wellesley Street East under Part IV of the Ontario Heritage Act.

Respectfully submitted,

Councillor Kristyn Wong-Tam
