To Whom It May Concern:

I am writing to inform you that Toronto Beer Week (TBW) will be applying to the Alcohol and Gaming Commission of Ontario for an extension of hours for the sale and service of alcohol beginning September 16th and ending on September 24th. We have requested the opportunity for the participating venues to sell and serve alcohol from 10am-4am.

Toronto Beer Week celebrates the responsible enjoyment of hand crafted beers made in Ontario and around the world. Events have been created to feature unique beers, introduce attendees to fresh new offerings as well as pairing beers with menus designed to highlight both food and beer. These events will be taking place at a number of licensed establishments throughout the city (please see attached list of participating venues).

Thank you for your cooperation in making our event a success.

Regards,

Troy Burtch
