Re: Inclusion on agenda for Festival of Municipal Significance request

Dear Toronto & East York Community Council;

The Fringe of Toronto Theatre Festival has been an integral part of the Toronto theatre community for the past twenty-two years, and we are looking forward to our 24th anniversary! As part of our ongoing plans, we have created a festival that takes place during the regular theatre season.

The Next Stage Theatre Festival is designed to provide another performance opportunity to Fringe alumni who have achieved a high level of artistic and critical success. The festival's 5th instalment will take place at the Factory Theatre from January 4th – 15th, 2012 and will feature ten theatre productions. Similar to the Fringe Festival we hope to create an exciting festival atmosphere and as part of our event we will be setting up a heated outdoor patio area where the patrons and performers will be able to gather and share their thoughts about the productions in the festival.

I am writing on behalf of The Fringe of Toronto Theatre Festival to request that the Toronto & East York Community Council declare that our event "is of municipal and/or community significance" as well as a notice of Municipal Clerk/NON OBJECTION at the upcoming Toronto & East York Community Council meeting. This declaration is required so that we may apply for and receive a liquor permit extension for the licensed outdoor patio area. The patio will be located at The Factory Theatre, 125 Bathurst St. (licensee #30047) and the hours of operation will be from 4pm to midnight on weeknights, and 2pm to midnight on weekends.

The Fringe of Toronto Theatre Festival has applied for and received this declaration from the City of Toronto for many years and we look forward to a positive recommendation once again this year and to another successful festival.

Thank you for your assistance with this request and should you require any further information about our upcoming event, please don't hesitate to contact me at 416-966-1062.

Sincerely,

Kathryn Westoll
Managing Director
