AUDITOR'S REPORT

To the Council of the Corporation of the City of Toronto and the Board of Management for the Uptown Yonge Business Improvement Area

I have audited the accompanying financial statements of Uptown Yonge Business Improvement Area, which comprise the statement of financial position as at December 31, 2011 and the statements of operations and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, these financial statements present fairly in all material respects, the financial position of the Board as at December 31, 2011 and the results of its operations and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

The Uptown Yonge Business Improvement Area (BIA) is established as a Business Improvement Area under the management and control of a Board of Management appointed by Council of the City of Toronto.

The Board is entrusted with the improvements, beautification and maintenance of municipally-owned lands, buildings, and structures in the area, together with the promotion of the area as a business or shopping area. 2. SIGNIFICANT ACCOUNTING POLICIES

- (b) For fiscal years beginning on or after January 1, 2011, tangible capital assets are recorded at cost. Amortization is calculated on straight-line basis over the estimated useful lives of the assets as follows:

Street Lights	5 years
