Re: Briefing Note Request on the Billboard Tax

Dear Chair Del Grande and Committee Members,

I am submitting this letter and requesting that Budget Committee direct the appropriate staff to provide a Briefing Note outlining the history of the Billboard Tax since its approval in 2009. The briefing note should include all income generated from the Billboard Tax from its inception, including any monies being held in escrow and income projections for the next 5 years.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in black ink, appearing to be "Gary Crawford". The signature is fluid and cursive, written over a white background.
