SUMMARY

The purpose of this report is to amend North York Community Council Item NY12.18, which is currently before Council. The proposed amendment replaces the draft by-law attached as Attachment 2 with a revised draft by-law. The revised draft by-law includes the legal description of the road to be closed, whereas the previous draft by-law did not include a complete legal description.

RECOMMENDATIONS

Transportation Services recommends that:

1. City Council amend North York Community Council Item NY12.18 by deleting the draft by-law attached as Attachment 2 and replacing it with the draft by-law attached hereto as Attachment 2a.

Financial Impact

This technical amendment will not result in any costs to the City.

ISSUE BACKGROUND

The draft by-law currently attached to Item NY12.18 does not include a complete legal description of the portion of the highway to be closed and, therefore, cannot be registered on title as required under City of Toronto Act, 2006. The revised draft by-law attached hereto as Attachment 2a includes the appropriate legal description.
