CITY OF TORONTO
CITY CLERK'S OFFICE
PROTOCOL

Dear Ms Dyers,

This is to inform you in compliance with the guidelines of the Alcohol and Gaming Commission of Ontario that the following restaurants and pubs in Cabbagetown will be applying for temporary extensions of their liquor licenses. This will allow the operation of outdoor patios in front of their establishments on Saturday, September 15, 2012 and Sunday, September 16, 2012. These restaurants and pubs are part in our annual Cabbagetown Festival. Their activities are an integral part of our program.

We would like to thank you on behalf of these establishments for acquiring resolutions from the Community Council and from Council that there is no objection to the granting of these permits to these establishments.

We also would like to thank you for acquiring the much needed resolution from Council designating the Cabbagetown Festival as an event of "Municipal Significance" so the businesses can enclose it with their applications.
