Re: Hard Rock Rocks- Municipal Significance Designation and Temporary Road Closure

Dear Janette,

This letter is a written request to have our Community Concert- Hard Rock Rocks to be considered as an Event of Municipal Significance. The Free concert that aligns with 'Celebrate Yonge' will take place on Saturday, September 8th 2012 on Yonge-Dundas Square. The event is to Celebrate Music, our local community and the Hard Rock Cafe, Toronto, along with its history and cultural significance in the community as a part of the Yonge Street strip, for the past 34 years. The cafe is located at 279 Yonge Street, at the corner of Yonge-Dundas Square.

In addition, we would like to request a temporary street closure on Dundas Square Street, between Yonge Street and O'Keefe Lane from 5am on September 8th through the following morning Sept 9th, until 5am, this will include:

- Patio extension of our licensed patio located on the sidewalk of Dundas Sq Street into the roadway area of the above-noted street closure;
- The street closure timeframe noted above includes set-up and take-down.
- Hours of operation of the patio extension – Saturday Sept 8th from 11:00 am thru 1:00am to align with our regular operating hours.

We look very forward to sharing this event with the local community or Toronto and any and all visitors that may be in the city on September 8th 2012. In the meantime, if you have any further questions or queries please feel free to contact me directly.

Best regards,

Bob Telewiak
