## MEMO

TO: Community Development & Recreation Committee  
FROM: Councillor Joe Mihevc, Ward 21, St. Paul's West  
RE: Panel on Homelessness  
DATE: April 5, 2012

---

### Summary:

I would like to move a motion to request the General Manager of Shelter, Support and Housing Administration to organize a panel on the state of homelessness and our City's response. We have undertaken similar such panels on childcare and homes for the aged, and they have proven helpful to the Community Development and Recreation Committee.

The scheduling of such a panel presenting to the Community Development and Recreation Committee is timely given that a taskforce on homelessness is being organized. This Community Development and Recreation panel can serve to be helpful to the taskforce.

### Recommendation:

That the General Manager of Shelter, Support and Housing Administration organize a panel on the state of homelessness and our City's response by the June meeting of the Community Development & Recreation Committee.

Sincerely,

Councillor Joe Mihevc
