Subject: Fwd: Changes to Holiday Shopping Regulations

Dear Merle,

Thank you for your update on the Changes to Holiday Shopping Regulation.

As we can see from the finding of the research that there are 74% of 81 municipalities permit shopping on Family Day and we think this is a majority wish of retail business establishments. We really want to express our opinion that whether City of Toronto Economic Development Committee can also recommend to permit all retail business establishments to open on Family Day as well.

Thank you for your consideration.

Best regards,

Alex Lo
