</tr>
</tbody>
</table>

**SUMMARY**
This staff report concerns a matter which Community Council has delegated authority from City Council to make a final decision.

The purpose is to obtain approval for the installation of an on-street accessible parking space.

**RECOMMENDATION**
Transportation Services recommends that Etobicoke York Community Council approve:

1. Installing an on-street accessible parking space at the following location:

<table>
<thead>
<tr>
<th>Ward</th>
<th>Location</th>
</tr>
</thead>
<tbody>
<tr>
<td>17</td>
<td>McRoberts Avenue, west side, between a point 46.7 metres north of Innes Avenue and a point 5.5 metres further north.</td>
</tr>
</tbody>
</table>

**Financial Impact**
Funds in the amount of $300.00 are available within the Transportation Services Division’s 2012 Operating Budget.

**ISSUE BACKGROUND**
The Transportation Services Division receives numerous requests for the installation and removal of on-street accessible parking spaces. Some of these requests come directly from members of the public and others are received through the local Councillors’ offices.
Designated on-street accessible parking spaces are a convenience provided for disabled persons and/or those who transport them, making it easier for them to find available parking as near as possible to their places of residence or intended destinations and reducing the distance that the disabled persons must walk.

**COMMENTS**
Transportation Services staff have investigated the feasibility of installing an on-street accessible parking space at the location identified in this report. The subject section of roadway is not served by a TTC (Toronto Transit Commission) transit route. The applicant is a holder of a valid Accessible Parking Permit issued by the Ministry of Transportation and the designated space will not result in the loss of more than one on-street parking space for general use.
