

Board of Health Agenda Item HL15.7 - June 25, 2012

Report entitled "Tracking and Reducing Chemicals in Toronto: ChemTRAC Annual Report - 2010 Reporting Year, June 2012

Erratum

2012 ChemTRAC report, Page 22, under Wood Products Manufacturing Sector: "The priority substance released in largest quantity by this sector is PM2.5 (Figure 4-9)" should read: "This sector is the third largest contributor to releases of PM2.5".
