Dear Chair and Members:

RE: A76/12EYK - 15 Cliveden Avenue

After reviewing the Staff Report submitted by Planning, Etobicoke York District yesterday, along with the petition submitted by residents today, and the numerous letters of opposition received by the Committee from Ward 5 residents on the above noted file which is before the CofA today, I write today to advise the Committee Members that I strongly support staff's recommendations; that the application be refused on the grounds that a parking lot is not listed as a permitted use in a Second Density Residential Zone.

Respectfully,

Peter Milczyn, Councillor
