MM26.9	ACTION			Ward:All
--------	--------	--	--	----------

**Awarding of Operation and Maintenance Agreements for Food and Beverage Concessions at Various Parks, Forestry and Recreation Locations - by Councillor Glenn De Baeremaeker, seconded by Councillor Michael Thompson**

*\* Notice of this Motion has been given.*

*\* This Motion is subject to a re-opening of Item GM13.11. A two-thirds vote is required to re-open that Item.*

*\* If re-opened, the previous Council decision remains in force unless Council decides otherwise.*

**Recommendations**

Glenn De Baeremaeker, seconded by Councillor Michael Thompson, recommends that:

1. Council direct City staff to enter into sole source agreements with Global Brand Foods, Donkey Kone and East York Skating Club on the same terms and conditions as outlined in the RFP contained in Item GM13.11 entitled "Award – Request for Proposal 0613-12-0034 Operation and Maintenance of Food and Beverage Concessions at Various Parks, Forestry and Recreation Locations".

**Summary**

City staff recommended in Government Management Committee Item GM 13.11 an award of an RFP for the operation of snack bars in various parks and recreation locations.

At its meeting of May 8 and 9, 2012 Council had before it a number of motions and a ruling regarding Item GM 13.11 that ultimately resulted in the cancelation of the entire contract award despite concerns being raised primarily about one location (the East York Arena).

The owner of Global Brand Foods Inc., the firm that would have been awarded the majority of the contract, has stated that they have no objection to the City permitting the East York Skating Club to operate the snack bar at the East York Arena.

This Motion is urgent because the City could lose some of the favourable terms it had obtained in the original RFP if Council further delays agreements on this matter.

**Requires Re-opening:**

Government Management Committee Item GM13.11, adopted by City Council on May 8 and 9, 2012.

(Submitted to City Council on October 2 and 3, 2012, as MM26.9)
